Was the Pa DEP order of September 2009 to Cabot issued out of your O&G office? If so can you scan and forward a copy to Angela McFadden EPA at her e-mail address below?
Thanks Ron

Ron,
Can we get a copy of PADEP's stop work order issued to Cabot?
I have a feeling there will be ongoing requests for enforcement documents. Soon we'll have a secured web site where they can be collected and maybe it will be easier to just give folks access to post them there.

FYI. Here is a complaint that has been filed against Cabot Oil and Gas Corp and its drilling company. It alleges a number of claims related to hydrofracing. Paragraph 35k references a September 2009 PADEP order requiring Cabot to cease fracturing/well stimulation activities. Can we get a copy of that order?
